

APPLICATION FOR SECURITY LIGHT LEASE

New Installation Existing Light(s)

The undersigned (hereinafter called the "Member") hereby makes application for the lease of security light(s) as indicated hereon by Duck River Electric Membership Corporation (hereinafter called "DREMC"), pursuant to the following terms and conditions applicable to each fixture:

1. DREMC will, at the request of the Member, furnish, install, and maintain a photo-electrically controlled security light fixture to be installed on an approved DREMC pole or Member meter pole, already in place with secondary service facilities (120 volts). DREMC will make all necessary connections to the fixture for a monthly charge based on the type of security light selected.
2. The security light charge will be itemized separately as a part of the Member's normal bill unless no other electric billing is provided.
3. The Member agrees to notify the cooperative when the security light fails to operate properly. DREMC agrees to schedule a maintenance trip during regular business hours to service the fixture. Whenever possible, the Member agrees to protect the fixture from acts of vandalism or other physical damage. DREMC reserves the right to remove the fixture and terminate the security light lease agreement for any unusual or repetitive maintenance requirements due to damage, except in instances where the Member agrees to reimburse DREMC's expenses to repair said damages.
4. The facilities installed to provide the security light service remain the property of DREMC.
5. Upon approval of this application by DREMC, said application shall constitute an agreement between the Member and DREMC. The Agreement shall continue in force for a minimum of:

one year (new) one month (existing) - and therefore until cancelled by proper notice given by either party to the other.

6. If the Member requests the security light be removed and does not fulfill the one-year lease agreement, DREMC shall add the facilities charges of the remaining month(s) to the Member's following electric bill. If the Member moves from the current location before the one-year lease is fulfilled, and a new Member agrees to continue leasing the security light at the location, the facilities charges for the remaining month(s) will be waived.
7. The Member agrees to provide DREMC the necessary right-of-way on their premises for the installation of this service. Furthermore, the member agrees to confer to DREMC the right to enter upon the premises for the purpose of installation, maintenance, or repair of poles, line and equipment, and upon the termination of this Agreement. Access will also be granted to DREMC for the purpose of removing the aforementioned equipment required for the original installation.

8. Number and type of fixtures requested at the time of installation are as follows:
