**The undersigned hereby makes application for electric service at the above address and agrees to pay for said services as measured by the meter of Duck River Electric Membership Corporation (hereinafter called Distributor) according to the rate applicable.**

The applicant agrees to permit authorized agents of the Distributor free access to the premises of the member (by providing keys, access codes or allowing the installation of the Distributor's lock) for the purpose of inspecting, reading, repairing, maintaining (including cutting, trimming and control by chemical or other means the growth of trees and shrubbery), removing or exchanging property of the Distributor and shall, without charge to the Distributor, grant to it easements over lands owned by applicant for the transmission and distribution lines and lines for secondary purpose(s) of the Distributor. The applicant agrees to keep the area under or above the Distributor's equipment, facilities and other property free of any structures or tall, growing or deep-rooted vegetation.

The Distributor shall have the right, but shall not be obliged, to inspect any installation before electric service is introduced, or at any later time; but such inspection or failure to inspect or reject shall not be regarded as an insurance against defects in installation, wiring or appliances, and shall not render Distributor liable or responsible for any loss or damages, resulting from defects in the installation, wiring or appliances, or from violation of the Distributor's bylaws, Rules and Regulations and Policies, or from accidents which may occur upon the premises of the member.

The applicant agrees to pay a membership/application fee of \$10.00 and any applicable deposit(s) or fees pursuant to the current Bylaws, Rules and Regulations and Policies of the Distributor. If for any reason the Distributor does not make electric service available to the above named person(s), any money paid on this membership/application shall be refunded.

The applicant agrees that this application, and any electric service rendered hereunder, is subject to the Bylaws, Rules and Regulations and Policies of the Distributor, copies of which are open for inspection at the office and on the website of the Distributor, and these Bylaws, Rules and Regulations and Policies are a part of this agreement.

The applicant agrees that a portion of the amount which accrues to the applicant each year will be applied toward the current subscription rate of The Tennessee Magazine, or such other official publication as may be selected by the Board of Directors.

The applicant consents that the Distributor can use the e-mail, address and phone number(s) associated with the account to communicate about account status, power outages, peak demand, energy efficiency, programs, services and events. Except as required for conducting satisfaction surveys and polling related to the Distributor's business, whether conducted by the Distributor or by its other partners and contractors representing the Distributor, the Distributor shall not share member information with any third party or cause such addresses to be used for unauthorized solicitation and communication.

The applicant agrees for the Distributor to perform a credit check on his/her individual credit performance through a reputable credit reporting agency to determine the applicability of the Distributor's security deposit policy and further agrees to pay the applicable fee charged by the Distributor for said credit check.

## New Member Information

Welcome to Duck River Electric Membership Corporation!

Duck River Electric Membership Corporation, formed in 1936, is an electric cooperative owned by the members who serve an area of approximately 2,200 square miles. The cooperative's headquarters office is located in Shelbyville with branch offices in Manchester, Sackend, Searsville, Leitchburg, Chapel Hill, Columbia, and Gordonsville.

DREMC exists today to distribute quality electricity at the lowest possible cost, promote and facilitate economic development, and enhance the quality of life for the members. Our electric cooperative's vision centers around providing reliable electricity to all members and making further the programs and services we offer as convenient and affordable. We are committed to the communities we serve. It is the cooperative business model that separates us from other utility providers and makes the cooperative difference.

We currently purchase power from the Tennessee Valley Authority and supply over 71,000 members with virtually trouble-free electric service. DREMC employees do what it takes to make sure you have electric service 24/7/365.

We encourage you to acquaint yourself with the many services, policies, and procedures necessary to make your electric cooperative one of the best around. Each day we strive to meet your electrical service needs in one of the fastest-growing areas in Tennessee.

On behalf of the DREMC employees and board directors, I welcome you to the area and to your cooperative!
